

Willow Bend

Can two men from different worlds cut the ties binding them to heartaches past and present, and make a life together? For Paul Gordon, the little town of Willow Bend, South Carolina is the perfect place to start over. A place where he can move on after his lovers death, alone and anonymous. Cory Saunders is just trying to survive. Between working two jobs and caring for his ailing mother, its all he can do to keep his head above water. When Paul and Cory meet, their mutual attraction is undeniable. When the intense physical attraction starts to blossom into something deeper, neither wants to admit to whats happening.
