

What Becomes

A.L. Kennedy's fifth collection of short stories shows us exactly what becomes of the broken-hearted. Her characters are perfectly ordinary people - whose marriages founder; who sit on their own in a cinema watching a film with no soundtrack; who risk sex in a hotel with an anonymous stranger or who order a luxurious meal as their lives fall apart - but the stories she weaves around them are truly remarkable. She reveals the sadness, violence, hurt and terror, but also the redemption and the love - and she does so with enormous human compassion and leaps of black humour. From the winner of the Costa Book Award for Day.

I What Becomes of the Brokenhearted is a hit single recorded by Jimmy Ruffin and released on Motown Records Soul label in the summer of 1966. It is a ballad, with lead singer Jimmy Ruffin recalling the pain that befalls the brokenhearted, who had love that's now departed.
