

## DMZ Deluxe Edition Book Four

New York City... otherwise known as the no mans land in this second American civil war. Cut off from his support system and family, rookie journalist Matty Roth remains the lone voice for those left behind in the worlds most dangerous war zone. Instead embracing a once-in-a-lifetime opportunity to document the city under siege with a classic journalists objectivity, Matty Roth has allowed himself to blur the lines to the point of no return, to fall in with politicians and opportunists, warlords and mercenaries. Having helped secure an election and fund an army, he commits perhaps the worst offense to date: trafficking in WMD on behalf of the newly elected Delgado regime. Brian Wood and artist Riccardo Burchielli's DMZ, one of Vertigo Comics longest-running series, continues its blistering look at politically motivated war in what Popmatters states reads like a journalistic document, and actress/writer Felicia Day says is amazing and has poignant analogies to our current political climate. Thought provoking and engrossing. Joined by guest artists Cliff Chiang, David Lapham, Danijel Zezelj, Andrea Mutti, and Nathan Fox, DMZ: THE DELUXE EDITION BOOK FOUR collects issues #45-59 in the penultimate chapter of this critically acclaimed series.
