Haiti (Haiti, Hispaniola) 1:300,000 Travel Photo Map IGN This map has been prepared by Insitut Geographique National (IGN), French official mapping organization. The map, at an extra large scale of 1:300,000, is based on aerial photography image which gives it an excellent expression of the physical nature of the country. Added cartographic features enhance the road system, settlements and plenty of places of interest for visitors. Due to its large scale, it shows a lot of detail and also small settlements that most other maps of Haiti do not include. The map is printed on one side of paper and can be mounted as an attractive poster. Map legend is in French and English.
