

# Ferrari Racecars 1966-1983: Previously Unseen Images

Taken by motor sports photographer Ian Catt, the historic images are an accumulation of twenty years of being at the right place at the right time, capturing the very essence of both Formula 1 and World Championship Sportscar racing during this heady period. Working for a leading sponsor Ian had the chance to capture the cars both in motion on the track, as well as in the pits and paddock, where he could get up close to both the cars and drivers.
