

# Moldovan Diary: Two years in the Peace Corps

Samuel Scheurich kept a weekly blog for the 30 months he was in the Peace Corps. It originally appeared at [www.getjealous.com](http://www.getjealous.com). The topics for his blog were wide ranging but included many adventures detailing the culture of his village in Moldova. This book is the print version of his blog, sans photos, but replete with Russian swear words and rabid dogs. Enjoy.
