

Ansons Way

It is the mid-eighteenth century, and young British subject Anson Granville Staplyton has traveled to Ireland, where his regiment has been sent to keep the kings peace. Anson has waited all his life for the day he would follow his father to serve His Majesty in the Staffordshire Fencibles. But the young drummers notions of glory are shaken when he witnesses the violent injustices thrust upon the Irish people. Anson is torn even further when he meets an Irish hedge master who secretly teaches children the lilting language and history of their won country-lessons that it is Ansons duty to silence. Torn between family honor and his ever-changing sense of justice, Anson struggles to choose his own way in beautiful yet turbulent Ireland.

Mr. Anson made the best of his way for Madera, in the road of which island he came to anchor, October the 25th, in forty fathom water, the Brazenhead bearing What came from the Stars Martin de Porres Okay for Now Wednesday Wars Lizzie Bright and the Buckminster Boy Trouble Straw Into Gold Ansons Way.
