

Miss Media: A Novel

Just in time for the new millennium, things are falling into place. Online advice columnist Lola Somerville lands the plummest of jobs at Ovum Inc., the hip new TV and web network promising smart programming for women. As Ovums in-house relationships expert, Lola is now up against the pop-psych big dogs—the authors of the mega-selling *The Canon: Your Only Hope For a Husband* and of the pharma-memoir *Xanax Planet*, not to mention E. Ron Wilson, kabillionaire despot of the *Men Are Pigs, Women are Nuts* empire. She's also rubbing elbows with the most powerful person in the universe: the talk-show host/domestic goddess/pop singer/movie actress/anti-landmine activist Penelope. But Lola soon starts to suspect that something is rotten in Ovums 24-hour juice bar. Are her sidekicks Kat and Ted the only people who know about her forbidden romance? Whose idea was it to change the women's sports show from *Sweat to Glow*? Could she—and her entire demographic—be up against forces more powerful than incompetence? The sinister, surprising truths Lola uncovers will change her, her slice of the world, and the market share of Ben and Jerrys, forever.

A blurb is a short promotional piece accompanying a creative work. It may be written by the author or publisher or quote praise from others. Blurbs were originally printed on the back or rear dust-jacket of a book, and . Sources.
