

Babies Having Babies: Girls Interrupted (Teen Survival Series Book 2)

Unlike centuries earlier, girls are no longer shackled to oppressive customs that subjugate them to being baby-makers and maids, with no other options. Ironically, now that women and girls are not subject to demeaning dispositions, they now oppress themselves by their own thinking and actions. Young girls are not forced to follow some weird tradition by having to marry and have kids at 12 and 13 years old. Today, young girls engage in sexual acts out of misplaced ideas of love, which they don't understand. They become pregnant as a side-effect of their confusion. *Babies Having Babies* is not a judgemental observation, but an attempt to diagnose and heal emotional pains that causes the urge to look for love in all the wrong places.
