

## Mrs. Atropos (a short story)

Inspired by classical myth, author Mitzi Szereto brings Atropos, one of the Fates (Moirae), to modern-day Los Angeles, where she toils as a seamstress in an East L.A. sweatshop. Here she reflects on all the men shes loved, lusted after, and lost in her lifetime. Filled with fondness, humor and sensuality, Mrs. Atropos is a character not likely to be forgotten by readers.
