But when a party in the woods turns into an all-out battle with the most ferocious aliens Phoenix has never seen, shes brought home in what appears to be an Onadyn-induced state. Hello, reform school. Except, what her mother doesnt know is that Phoenix has just been recruited to join the elite Alien Investigation and Removal agency, where shell learn to fight dirty, track hard, and destroy the enemy. Her professional training will be rigorous and dangerous, and the fact that one of her instructors is Ryan Stone -- the drop-dead gorgeous, nineteen-year-old agent she met in the woods that night -- doesnt make things any easier.
