

Signature Weddings: Creating a Day Uniquely Your Own

Americas most innovative wedding designerhailed by Modern Bride as the wedding design dynamoshowcases her completely fresh and beautifully photographed ideas for personalizing your special day. Michelle Rago is a rising star in the world of weddings, and she has made her name by focusing on the biggest trend in weddings today: personalization. Now she makes her creative process available to everyone, revealing the techniques that made Modern Bride name her as one of the industrys top twenty-five trendsetters. With stunning photography illustrating ten real-life weddings from a variety of locations and stylesfrom country nuptials in Vermont to a tropical ceremony in the Caribbean to the St. Regis Hotel in New York to a country club in St. Louis Signature Weddings shows readers how to tap into their inspiration by focusing on and including: How Michelle designs a wedding that truly reflects the bride and groom The three essential Ss: setting, season, and situation Core design elements, ranging from a family heirloom to local foliage; and color palettes that inform every design detail, from bouquets and centerpieces to table settings, decor, invitations, food, dress, and cakes Sidebars and boxed text throughout that focus on specific concerns, from destination weddings to wedding programs, dealing with the weather, rehearsal dinners, lighting, music, invitations, and more. Unlike over-the-top wedding guides full of unrealistic concepts, or dated books that try to impose one old-fashioned approach, Signature Weddings lets couples embark on a creative journey that suits any budget or tastewith results to cherish for a lifetime.
