

The Picture Book

Set against the rolling backdrop of a century of British history from WWI to the War on Terror, this is a family portrait captured in snapshots. First there is William, the factory lad who loses his life in Gallipoli, then his son Billy, a champion cyclist who survives the D-Day Landings on a military bicycle, followed by his crippled son Will who becomes an Oxford academic in the 1960s, and finally his daughter Billie, an artist in contemporary London. Just as the names - William, Billy, Will, Billie - echo down through the family, so too the legacy of choices made, chances lost, and secrets kept. Rich in drama and sensuous in detail, *The Picture Book* is a beautifully crafted story about fathers and sons, about fate and repetition, and about the possibility of breaking free.

The Picture Book Agency is a French publishers agency, founded in 2013 by Stephanie Vernet. The agency represents French publishers abroad - we aim to

Making picture books is a little bit collaborative and a lot bit not, and I had a lovely time chatting with Emily about her experience with this book. Enjoy!
