

In the Wake: A Novel

When Arvid Jansen comes to one morning in the doorway of a bookstore in Oslo, Norway, his grief comes back to him in devastating flashes: His parents and his brothers are dead, he has lost touch with his wife and daughters, abandoned his career as a writer and bookseller. His old life is gone. In the Wake is the story of Arvid's first steps toward resuming that life, of his gradual confrontation with everything he lost and ultimately with his own role in the disaster that killed his family. Told with the insight and moral force of his countryman Knut Hamsun, In the Wake is the American debut of a treasured European writer.

A novel about an Englishman undone by the Norman invasion is rendered in a devised Anglo-Saxon shadow tongue. The Wake is a 2014 novel by British author Paul Kingsnorth. Written in an imaginary language, a kind of hybrid between Old English and Modern English, For The Wake, a novel set in 11th-century Lincolnshire during and after the Norman invasion, Paul Kingsnorth has adopted another solution: he The Wake has 2131 ratings and 461 reviews.
