

The Wolf and the Crown (The Perilous Order of Camelot Book 3)

Though he possesses the legendary sword Excalibur, the boy-king Arthor discovers that he must earn the respect of the warring lords of Britain before he can truly claim his place as their leader. The third volume in Attanasio's epic re-creation of the Arthurian cycle follows young Arthor through his first difficult year of kingship. This is a flamboyant, magical retelling of the saga of Camelot.
