

Triptych of Terror: Three Chilling Tales by the Masters of Gay Horror

Just in time for Halloween, here are three spooky tales. A gay teen in a conservative small town discovers that Halloween means so much more than costumes and candy. In an industrial town, an overzealous televangelist learns that on Halloween you might not get the chance to do unto others before they do unto you. A Celtic legend born on Pride Day takes out its vengeance on the streets of Greenwich Village on Halloween.
